**DETAILED ACTION**

***Response to Amendment***

1. Applicants' amendment and arguments filed on June 11, 2007 have been fully considered, and discussed below. It is noted that applicant has amended claim 29 solely for formal reasons not related to patentability to address the Examiner's formal concerns. Therefore, claims 28-36, and 40-47 are pending and currently considered for examination.

***Claim Rejections - 35 USC § 102***

2. Claims 28-36, and 40-47 are rejected under 35 U.S.C. 102(e) as being anticipated by Cross U.S. Patent No. 6,144,726 (PTO-892 Reference A).
3. As per claims 28-36 and 40-47, examiner maintains rejections detailed in previous office action.

***Response to Arguments***

4. Applicant's arguments filed 06/11/2007 have been fully considered but they are not persuasive.

5. Applicant argues in substance that:

Cross does not teach any manner of a credit memo or the validation of a credit memo request.

In response to the above argument:

Art Unit: 3692

Cross teaches both a credit memo and validation of said credit memo. Examiner notes that this limitation is found in Cross (see Col. 11 Lns. 36-40), examiner interprets the discrepancy reports as a form of credit memo and that validation takes place at Col. 11 Lns. 45-50.

6. Applicant argues in substance that:

Cross does not teach a Web site nor a website having the claimed characteristics and functionality.

In response to the above argument:

Cross teaches Web site (see Col. 4 Lns. 12-17), examiner notes that the data network makes use of the Internet and interprets that a user would rely on a web site to access the internet.

***Conclusion***

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
